SUBJECT: Postponement of SIG-I on Stilwell Report

I talked to Senator Durenberger this morning and told him that we would not be able to get the counterintelligence-countermeasures report to the President until after Labor Day. He was entirely agreeable and said that he would like us to make every effort to get it to them by mid-September. I agreed we should do that. Thus, we can postpone the SIG-I meeting on this until sometime early in September.
